

Life as a research scientist

Are you passionate about your project, love to teach, and enjoy the shining eyes of aspiring biologists?

Then participate in our project and host two 16-18 year-old high school students for a 2-day lab experience!

BOOOM!!!

SPLASH!

Mh, I'm not sure
how it works

WHAT WE NEED

- > One or two motivated scientist(s) from your lab to run a 2-day mini-research project (Days 1 and 2, 9:00 am-5:30 pm) with 2 pupils
- > Optional participation in one Q&A session about your career (5:00-6:30 pm)
- > Participation in the farewell-brunch on day 3

WHAT YOU GAIN

- > You give a realistic insight into lab life
- > A great experience with very motivated pupils
- > A lesson in science communication to a lay audience
